	Last Revision:	(NEW)		
	Effective:	July 12, 2017	Next Review:	July 12, 2019

Policy:

All students have a right to withdraw from training at Mountain Transport Institute Ltd. (MTI). As well MTI has the right to dismiss any students as per our student dismissal policy. Refunds are provided to students who have withdrawn or been dismissed from any program at MTI. Refunds are calculated based on the total fees due, less the non-refundable application fees, text book fees and archiving fees.

Scope:

The scope of this policy covers students attending or enrolled in an international program at MTI who have been dismissed or wish to withdrawal from their program.

Principles:

Refunds are provided to students in cases of withdrawal or dismissal as per the following:

1. Written Notice:

- To initiate a refund, written notice must be provided:
 - By a student to the institution when the student withdraws, or
 - By the institution to the student where the institution dismisses a student.

2. Refund Entitlement:

Refund entitlement is calculated on the total fees due under the contract, less the non-refundable application or registration fee, text book fees, and student record archiving fees. These total fees are considered tuition and refer to the:

- 2 week 'Welcome to Canada' Program;
- 6 week 'Canadian Experience' Program;
- 10 week 'MTI Way International' Program

Where total fees have not yet been collected, the institution is not responsible for refunding more than has been collected to date and a student may be required to make up for monies due under the contract.

3. Refund policy for students:

Refunds before a program begins:

- If written notice of withdrawal is received by the institution within seven (7) calendar days after the student is registered, and before the commencement of the period of instruction, the institution will retain \$200, plus non-refundable fees.
- Otherwise a service charge of 10% will be charged and the balance paid will be refunded.

Refunds after the **'MTI Way International'** program starts:

- If written notice of withdrawal is received by the institution, or a student is dismissed, within 25% of the first 8 weeks of the program (prior to 17:30 hours of the last day of training of week 2), the institution may retain 30% of the tuition due under the contract.
- If written notice of withdrawal is received by the institution or a student is dismissed, after 25% and before 40% of the first 8 weeks of the program (prior to 17:30 hours of the first day of training of week 4) the institution may retain 50% of the tuition due under the contract.
- If a student withdraws or is dismissed after 40% of the program, no refund will be issued.

Refunds after the **'Welcome to Canada'** and **'MTI Canadian Experience'** programs start:

- If written notice of withdrawal is received by the institution, or a student is dismissed, within 25% of the program, the institution may retain 30% of the tuition due under the contract.
- If written notice of withdrawal is received by the institution or a student is dismissed, after 25% and before 40% of the program, the institution may retain 50% of the tuition due under the contract.
- If a student withdraws or is dismissed after 30% of the program, no refund will be issued.

4. Other Refund Policy Requirements:

- a) Where a student is deemed not to have met the institutional and/or program specific minimum requirements for admission, and has chosen not to continue with training, the institution must refund all fees paid under the contract, less the applicable non-refundable application or registration fee and text book fee.
- b) Refunds owing to students must be paid within thirty (30) calendar days of the institution receiving written notification of withdrawal and all

required supporting documentation, or within thirty (30) calendar days of an institution's written notice of dismissal.

The Application/Registration fees, textbook fees, and student record archiving fees are non-refundable.
